

Pocket HD™ DPF Regen and ABS Kit

**POCKET
HD**

Quick and Convenient Access to Critical Truck Performance Data

PN 798021

The new Pocket HD DPF Regen and ABS Kit provides everything you need to access critical diagnostic information. You get the popular "All Makes" DPF Regen app, the ABS Software Suite (which includes Bendix®, Meritor WABCO®, and Trailer ABS suites), Heavy Duty Standard, and Light and Medium Truck (LMT). And to make it even more convenient for you we are also including both the PLC Converter and the 7-Way PLC Cable. It's a complete diagnostic package.

This tool is both versatile and reliable. With a larger display and easy-to-use, user-friendly features, the Pocket HD puts essential diagnostic information at your fingertips. Whether you are responsible for maintaining a large fleet or just a truck or two, this handy tool makes gathering the diagnostic information you need easy.

Note: The LMT app does not include the ability to run special tests.
